Description of fiscal impact: This legislation changes the definition of addiction to include gambling dependence. This bill has no fiscal impact to the state.

FISCAL ANALYSIS

Assumptions:

1. This legislation will affect the Licensed Addiction Counselor Program. The program will need to amend its rules to include gambling addiction in their definitions and address any areas regarding education requirements, application requirements, or supervision requirements where this addition would be in conflict or require clarification. The cost of rule making changes would be minimal, and thus could be absorbed by the program.
